

2023 COMMUNITY IMPACT REPORT

During 2023, the Donald Reynolds Cancer Support House was proud to provide non-medical, cost-free programs and services to cancer patients and their caregivers and educational programs to the community in support of early detection and prevention of cancer.

CONNECTIONS MADE

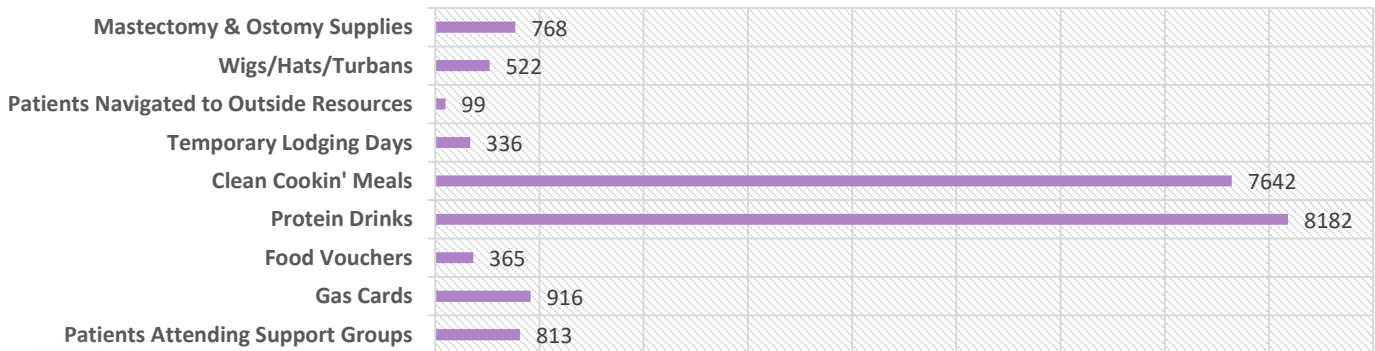

ASSISTANCE PROVIDED

- Navigated patients to over \$11,000 in financial aid through outside agencies. (Angel Flight, Cancer Cares, Hearts & Homes, Leukemia & Lymphoma Society, River Valley Ovarian Cancer Alliance, etc.)

- Facilitated cancer support groups led by licensed counselors for adults and children.

- Assisted out-of-town patients with temporary housing options in partnership with The First Presbyterian Church and Hope House at Cavanaugh Methodist Church.
- Partnered with Johnson Dermatology to provide free skin cancer screenings, Arkansas Prostate Cancer Foundation for free prostate cancer screenings and UAFS School of Dental Hygiene for free oral cancer screenings.
- Reached thousands of area youth with vital information about sun safety with our Sun SMART Program and "Take a Stand, Don't Tan" in partnership with the Arkansas Cancer Coalition and the River Valley Skin Cancer Alliance.
- Presented 731 congratulatory Daisy Bundles to those finishing Radiation Treatments.

**OUR MISSION CONTINUES:
ALL PEOPLE, ALL AGES, ALL CANCERS, ALL STAGES
ALL FIND HOPE HERE**

2023 marks the 45th year for the Cancer Support Foundation to provide a multitude of opportunities for cancer patients and caregivers to connect with each other and access services that have a major impact on their survivorship. Research has shown that people with cancer are better able to deal with disease when supported by others in similar situations.
